

Showcase your company to UK biotech

The BioIndustry Association (BIA) is the voice of the innovative life sciences and biotech industry, enabling and connecting the UK ecosystem so that businesses can start, grow and deliver world-changing innovation.

We have over 600 members spanning human health and non-health biotech, including start-ups, scale-ups and established global companies. Our membership also encompasses the full UK ecosystem, including non-commercial research institutions and service providers.

The BIA's sector-leading events bring the brightest and best of biotech together to network and collaborate. Explore incredible opportunities to engage key individuals and organisations through branding, networking and thought leadership.

About our packages

Whilst our events each have their own sponsorship brochure and unique set of packages, benefits can include:

- Speaker slots
- Exhibition stands
- On-site branding
- Event app branding & virtual booth
- Company logo/profile on event website
- Dedicated social media posts
- Complimentary passes
- Thought leadership/case study included in the BIA report launched alongside the event
