Avantor and BIA Business Solutions Programme

**Member-exclusive laboratory supplies and services initiative
to support your daily life science pursuits**

We look forward to welcoming you to our solutions programme.

Our benefits at a glance:

- Competitive discounts across many products from both industry-leading manufacturers and our proprietary brands
- A dedicated Account Manager, Customer Service Team and Technical Product Specialists
- No minimum order charges or standard delivery charges
- Next day delivery to most national locations
- MarketSource capability to satisfy specific off-catalogue purchasing requirements

As a prominent distributor in life science research, we provide single-source access for all the solutions you need to set science in motion. Partnered with the BIA, we have created the Business Solutions Programme to maximise the potential of your budget.

Our commitment to you:

- Analysis of your current spend and identification of immediate savings potential
- Cost optimisation and consolidation with product substitution suggestions, supported by samples for full evaluation
- MarketSource solutions to diminish overall sourcing costs

Gain the edge - join the BIA Business Solutions Programme to make Avantor your go-to laboratory partner.
