Glaziers Hall, London

Why BioSolutions UK?

Now in its second year, BioSolutions UK is BioIndustry Association's (BIA) flagship event to connect a thriving engineering biology sector and drive the adoption of biosolutions to real-world problems: from innovative startups and scale ups to large corporate leaders, from investors to policymakers and international delegations.

Join us at BioSolutions UK to:

- **Connect** with fellow disruptors
- **Showcase** your biotech
- **Gain insights** from leaders shaping the bioeconomy

BioSolutions UK showcases the UK as a global leader in driving economic growth and net zero through the power of biology.

Biosolutions are reshaping food, agriculture, chemicals, materials and biofuels, powering both economic growth and the transition to net zero.

Why BIA?

- BIA is the **authoritative and legitimate voice** for the UK biotechnology and innovative life sciences industry
- **Award-winning organisation** for both our policy work and events, BIA are leading the way to drive both the health and non-health application of the biotechnology solutions in the UK
- BIA events offer a fantastic opportunity to **network, learn, meet new people**, seek partnerships and support the sector
- Robust relationship and trusted voice with **UK government**, academia, the wider UK innovation landscape, and international partners
- BIA is at the heart of the biosolutions agenda, is a member of the **European Biosolutions Coalition** and is supported by a long-established **Engineering Biology Advisory Committee** (EBAC) and a newly-formed Advisory Board.
- BIA have been **exclusively commissioned by the Novo Nordisk Foundation** to help identify and work towards removing regulatory barriers and to bring innovative biosolutions to market in the EU & UK
- Established and knowledgeable team of **30+ BIA employees**
