

Avantor and BIA Business Solutions Programme together, advancing scientific innovation

Industry's leading laboratory
programme to support your life
science research efforts

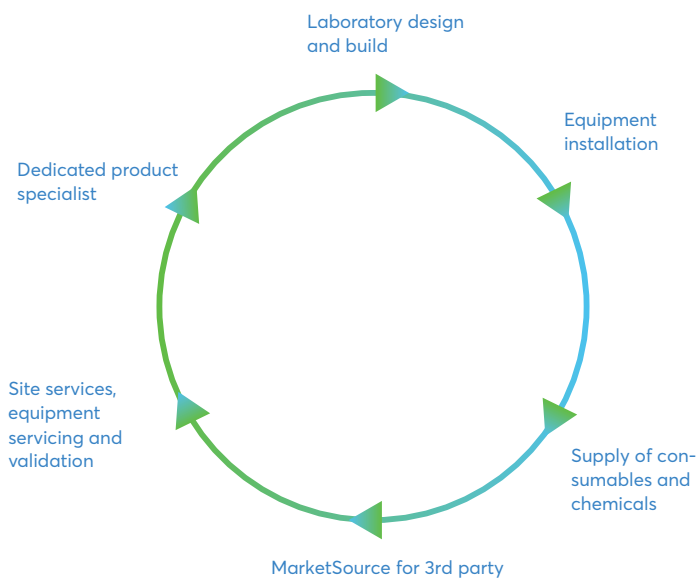

Stretch your lab budget with
customised pricing and flexibility

Avantor looks forward to welcoming you to the Avantor / BIA business solutions programme. By joining the programme, your organisation will become part of one of the **largest and most effective purchasing programmes** in the UK.

Avantor provides single-source access for all the solutions you need to set science in motion. Partnered with BIA, we have created the Avantor / BIA business solutions programme, that offers members exclusive access to contracted pricing from the leading distributor in life science research.

ADVANTAGES OF MEMBERSHIP

Stretch your spend – gain the competitive edge you need in the life science research industry with these powerful contract benefits.

- Access to 1.5 million products from 5,000 different manufacturers
- Virtual warehousing stock reservation and batch management
- New innovative products launched each year
- Daily deliveries throughout the UK
- Supplier management and third-party procurement
- Electronic ordering and invoicing
- On site services
- Instrument calibration and validation
- Change control process
- Custom production and packaging

Sign up to the Avantor / BIA business solutions programme and make Avantor your preferred supplier

Programme highlights:

- Aggressive pricing from industry manufacturers
- Discounts across all of Avantor's products
- Customer specific hot list
- MarketSource for third party items
- Dedicated Account Manager & Customer Service team
- No minimum order fees or standard delivery charges
- Next day delivery to most national locations

Our commitment to you:

- Avantor will analyse your current laboratory spend and identify areas of immediate savings
- Avantor will identify feasible product substitutions and organise trials and evaluations
- Avantor will offer third party procurement solutions, which will cut down your procurement costs

Partnering

- One solution (consolidation and savings)
- Stock room systems
- Glass washing
- Lab technicians
- Cleanroom products
- Custom manufacturing

Avantor can also introduce our preferred third-party procurement partner.

Our goal is to provide you with the best solution, be it product options, stockroom solutions, lab technicians or custom manufacturing. Avantor aims to be your partner on every level.
