The Prix Galien is a welcome initiative to stimulate creative research and promote excellence.
- Barack Obama, 2008

The Prix Galien honors outstanding achievement in two areas that are critical to human health: science and innovation
- Tedros Adhanom Ghebreyesus - 2018

The Prix Galien Awards are a true celebration of the years of hard work that are required to produce life-changing interventions.
- Bill & Melinda Gates, 2018

It is a pleasure to congratulate all those who promote the Prix Galien and pharmaceutical research: they play a vital role in the fight against disease throughout the world.
- John Major - 1996

NOMINATIONS ARE NOW OPEN

www.prixgalien.co.uk
Our annual awards ceremony is a creative recognition of the productive and positive power of partnerships that drive progress in medical science. It is a peer exchange with a public purpose, spanning a diverse range of interests and creating opportunities for networking across professional and scientific groups, academia, governments, patient associations, non-profit organisations, and the media.

AWARDS CEREMONY
When: Thursday, 30 May, 2024
Where: Natural History Museum - London

AWARDS CATEGORIES
> Best Biotechnology Product
> Best Digital Health
> Best Medical Technology
> Best Pharmaceutical Product
> Best Public Sector Innovation

HOW TO APPLY
Entries must be submitted online at: https://www.galienfoundation.org/PGUK-submissions
Complete entry guidelines and requirements can be found on our website. Assistance with completing your application is available upon request.

ELIGIBILITY REQUIREMENTS
Products must have received marketing approval in the UK between 1st January, 2018 and 31st December, 2023. We accept nominations for individual products, not classes of products, as well as orphan submissions within each category.

PREVIOUS PRIX GALIEN AWARD WINNERS
“What an amazing recognition for our global team, who have spent decades developing and distributing this vaccine. Congratulations.”
Albert Bourla
Chairman and CEO, Pfizer

“Merck’s mission is to translate science into medically important products that positively impact humanity, so it is natural for us to support the Prix Galien, since it supports exactly that.”
Kenneth C. Frazier
Chairman, Former CEO and President, Merck

“What an amazing recognition for our global team, who have spent decades developing and distributing this vaccine. Congratulations.”
Albert Bourla
Chairman and CEO, Pfizer

“Merck’s mission is to translate science into medically important products that positively impact humanity, so it is natural for us to support the Prix Galien, since it supports exactly that.”
Kenneth C. Frazier
Chairman, Former CEO and President, Merck

“The Galien Foundation brings together the top scientists in the world. You have Nobel Laureates across the spectrum of scientific disciplines meeting and talking with members of the pharmaceutical industry to see what’s going on at the cutting edge, because ultimately that’s going to benefit patients.”
William Hait, MD, PhD
EVP, Chief External Innovation and Medical Officer, and member of the Johnson & Johnson Executive Committee

“Our Prix Galien USA awards [for Cosentyx and Gleevec]... represent years of hard work by our scientists. These wins underscore our commitment to addressing the unmet medical needs of patients through science-based innovation.”
Joseph Jimenez
Former CEO, Novartis

Academy of Medical Sciences

Dr Lauren WALKER
Senior Clinical Lecturer in
Clinical Pharmacology &
Therapeutics and Internal
Medicine, University of
Liverpool

Pr Moira WHYTE
Sir John Crofton Professor
of Respiratory Medicine,
University of Edinburgh
AND THE 2024 WINNERS ARE?

The Prix Galien Award recognizes outstanding achievements in improving the global human condition through the development of innovative drugs and other treatments.

The Prix Galien was created in 1970 in honor of Galen, the father of medical science and modern pharmacology.

Worldwide, the Prix Galien is regarded as the equivalent of the Nobel Prize in biopharmaceutical research.

PRIX GALIEN
UNITED KINGDOM

The Prix Galien UK juries rigorously select life-changing therapeutics each year. To view the full list of Prix Galien UK winners, beginning in 1990, click here.

The Randomised Evaluation of COVID-19 Therapy clinical trial, University of Oxford
