

BIA Regulatory Innovation Conference 2019

Innovation and regulatory science in an evolving environment

30 Euston Square • London • 17 September 2019

Our supporting opportunities will allow you to display your brand in front of up to 200 senior industry experts.

The audience will include:

- Life sciences industry
- Regulatory agencies
- Academic institutions
- Medical research charities/patient groups
- NHS organisations
- Contract research organisations
- Biopharmaceutical manufacturers

There are a number of ways you can make your brand visible. Keep reading to find out more.

Host supporter
